Amna Qammar CV

Objective

Skilled at using educational knowledge to achieve cutting-edge results. A self-motivated, passionate, honest and responsible individual. Possessing excellent leadership and communication skills Work under pressure in research activities to become a good researcher and to develop mathematical skills leading to help the development of my country.

Personal Details

Name	Amna Qammar
Father's Name	Qammar Javid
Date of Birth	23/May/2001
Nationality	Pakistani
Sex	Female
Email	Amnaqammar75@gmail.com
Call	

Educational Qualification:

2020-2024 BS-Statistics	Bachelor of Science (BS) in Statistics from University of Agriculture, Faisalabad, Pakistan

Course Studied

- Statistical Methods
- Probability and Distribution Theory
- Design and Analysis of Experiments
- Matrices for Statistics
- Sample Surveys
- Design and Analysis of Experiments-II
- Official Statistics and Population Studies
- Mathematical and Statistical Computing
- Estimation and Testing of Hypotheses
- Linear Models
- Statistical Quality Control
- Numerical Analysis
- Introduction to Probability Theory
- Econometrics
- Survey and Research Methodology
- Database Systems
- Multivariate Methods
- Bayesian Statistics
- Operations Research
- Applied Statistics
- Introduction to Regression and Analysis of Variance
- Development Economics
- Basic Summary/Inference
- Introduction to Statistical Software
- Introduction to Optimization Techniques

Work Experience:

Junior Executive 04/2024 to Present	**National Database and Registration Authority (NADRA), Pakistan**
Key Responsibilities:	○ Data collection and verification of citizens' records ○ Biometric verification and authentication of applicants ○ Data cleaning and validation to ensure accuracy in records ○ Data analysis and preparation of statistical reports ○ Assisting in population studies and demographic trend analysis ○ Statistical quality control for error-free data processing ○ Database management and secure handling of sensitive information ○ Preparation of official reports and summaries for management ○ Providing decision support through data-driven insights ○ Customer dealing and guiding applicants about NADRA procedures ○ Handling complaints and resolving applicants' queries efficiently ○ Coordinating with team members to achieve daily operational targets
Teacher 01/2023 to 01/2024	**Hira Public High School Madina Town Faisalabad.**

Certificates and Workshops:

13-14 July, 2023	Certificate for attending 2-Days workshop on Statistical Modeling Using SPSS and R-Studio
21 January, 2023	Certificate for Participation PISTAR Global Statistics Conference 2023 on Time Series Forecasting in R organized by Pak Institute of Statistical Training and Research under the patronage of Islamic Countries Society of Statistical Sciences
October, 2020	Certificate for Organizer in two days workshop on computational modeling & information for all kind of sciences at UAF.

Skills:

Statistical & Analytical Skills	Technical Skills	Professional Skills
➢ Statistical data analysis ➢ Probability and distribution theory ➢ Hypothesis testing and estimation ➢ Regression analysis (simple & multiple) ➢ Multivariate analysis ➢ Time series analysis and forecasting ➢ Sampling techniques and survey methodology ➢ Experimental design and ANOVA ➢ Statistical quality control ➢ Econometrics and operations research	➢ MS Excel (advanced functions, pivot tables, charts) ➢ SPSS, Minitab, or SAS ➢ R / Python for statistical computing ➢ SQL & Database management ➢ Data visualization (Tableau / Power BI / R ggplot / Python matplotlib)	➢ Data collection and validation ➢ Report writing and presentation ➢ Problem solving and critical thinking ➢ Attention to detail and accuracy ➢ Teamwork and collaboration ➢ Communication and interpersonal skills

Language proficiency:

- English Proficient in Listening, Speaking, Reading & Writing
- Chinese
